

Field Representatives

Nilsson Bros. Inc., a growing Alberta based company which owns and operates a diverse group of agri-business ventures, has positions open at various locations throughout Alberta and central Saskatchewan.

Duties include:

- Visits producers, farms and feedlots to promote marketing services and advises producers on condition of livestock, current market prices and future trends;
- Organizes and supervises the sale of livestock by auction through the sales ring;
- Conducts and/or supervises the sorting and classifying of livestock by weight and quality for sale or shipment to Canadian and export markets;
- Responsible to the Manager in monitoring company cattle finance programs;
- As required, supervises yard staff in receiving, yarding, feeding, care and shipment of livestock;
- Buys livestock to fill customer orders as specified;
- Sells company-owned stock for feeder, stocker or slaughter purposes;
- Assists in supervising the branding, dehorning, testing, medication administration, arranging for veterinarian treatment, feeding and watering livestock;
- Supervises the cleaning, housekeeping, repair and maintenance of Centre facilities;
- Attends industry-related meetings and functions; and
- Other duties as required.

Wage to commensurate with experience. Candidates will be expected to work with cattle on a daily basis performing the above duties in an auction mart atmosphere which will entail working outdoors. Candidates must be able bodied and be able to work a full shift from 8 am to 5 pm or longer when necessary to complete an auction sale.
